The word's plural and past tense spellings are listed to assist with accurate spelling in those cases too.GrammarGrammar details include the part of speech for the word. For example, if you search "barnyard definition," you'll get a result that gives a brief definition of the word, an option to translate it into another language and a graph of its use over time. Sentence phrase examples serve as a guide.Related WordsRelated words are part of the word's description in many online dictionaries. MORE FROM QUESTIONSANSWERED.NET Online dictionaries can be an easy and quick way to learn information about a word. Some words can be used as a verb or a noun. It's won Webby awards and gained a viral following on Twitter thanks to a prescient ability to capture the moment with relevant definitions. Though most entries have multiple definitions, users can vote on which ones are most relevant or correct, giving a better impression of how the word is actually used in practice. Once you learn the definition of a new word, you might notice it more in conversation and be able to use it in your vocabulary.Pronunciations of WordsThe huge database of words in online dictionaries helps you learn how to pronounce the word. Some words have more than one pronunciation, which is indicated by several examples to follow as a guide.Spelling VariationsA word can have more than one spelling, so spelling variations are outlined in the online dictionaries. The word is listed as either a verb, noun, adverb or other part of speech. There are numerous general dictionaries like Merriam-Webster and Dictionary.com for reference. Whether you need to double-check the meaning of a word you think you know or you've run into new vocabulary, an online dictionary can be a quick way of getting the linguistic information you need. Words might have different meanings, so you'll find a numbered list using examples of the words in context. Though focused on British English, the Oxford English Dictionary is an important record of the language's past and present. Additionally, many dictionaries link to a thesaurus as a cross-reference where you can find synonyms and antonyms of the word. MORE FROM QUESTIONSANSWERED.NET Beyond that, the Merriam-Webster website (merriam-webster.com) also includes a thesaurus and dictionaries covering specific topics, like law and medicine, as well as a children's dictionary and other important resources.Oxford English DictionaryThe Oxford English Dictionary (found at oed.com) is arguably the world's foremost scholarly authority on the English language. A root of any word holds the most basic meaning of the word; it is what is left after you remove the prefixes and the suffixes. But be sure to choose the best dictionaries on the internet for reliable information.Merriam-WebsterWith a pedigree that dates back to Noah Webster, the father of American English, the Merriam-Webster dictionary has adapted well to the online environment. If you're ever confused by an internet acronym, like HMU (hit me up) or NPC (non-player character), Urban Dictionary can help you get to the bottom of it. In your daily life, you might come across many words with different roots, it's important to know the meaning of these words before you can guess the meaning of the said word. Previous print editions of the OED have come in multiple huge volumes, but its recent editions have been published online in full, providing a massive database of English words ranging from the obscure to the everyday.Dictionary.comA straightforward, easy-to-remember address and great design makes Dictionary.com a great resource, particularly for digital natives. Searching specific words with "define" or "definition" included can result in a definition card at the top of your search results page. The syllables are broken down to show emphasis and accented parts of the words as you speak. This can be handy for quick reference.Urban DictionaryUrban Dictionary, found at urbandictionary.com, is a user-generated definition database, but it operates in a context where the lack of high-brow gatekeeping is a good thing. It's a lot of information and most online dictionaries are free. You should also try to remember words by grouping them as per the word root. This will vary between dictionaries as it's based on the expert opinions of those who put the database together. Silent letters are included, so you learn how to say the word correctly without using one of those sounds. Dictionary.com has newsletters, quizzes and a range of specialized dictionaries that are particularly relevant for the digital world, covering everything from acronyms to emojis.Google SearchIn a pinch, you can always use Google as your dictionary. The Dictionary.com site includes a simple thesaurus (accessible from the main page or at Thesaurus.com) with a clever tabbed design that makes it super simple to find the exact word you're looking for. Specialty dictionaries are written with specific fields or games in mind, including biology, slang, business and Scrabble. This is a good reference for grasping the word's usage capabilities in language.
